Re: *Delayed filings for line counts from 2002 and 2003*

CC Docket No. 96-45  
***Interstate Access Support- IAS***  
Annual Certification Filing

CC Docket No. 96-45  
***Interstate Common Line Support and Long Term Support- ICLS***  
Annual Certification Filing

This letter is to explain the delayed filing that ***Great Lakes of Iowa, Inc.*** is now sending in for Universal Service ***Interstate Access Support-IAS*** and ***Interstate Common Line Support and Long Term Support- ICLS***.

On June 17th of 2002 Great lakes of Iowa Inc. requested and received from the Iowa Utilities Board ETC status in its service areas in rural Iowa. The ownership asked management in place in 2002 to set-up the files for IAS and ICLS to USAC and the FCC. Management at the time had trouble finding someone to help them figure out the line count reporting methods also what forms to use and how to file the reports. Management left the company never figuring out the methods for reporting and forms required to make the reports on a timely quarterly basis. When New Management came in March of 2004 it was assumed by the new management that pervious management had done the filings from 2002 4<sup>th</sup> quarter and the first three quarters of 2003.

When new management came into the company a consultant was hired to assist in the set-up for reporting the line counts to USAC and the FCC. This was done in March of 2004. The new management made its first filing in March of 2004 for the last quarter of 2003 as requested by USAC and the FCC. After talking with staff at Great Lakes of Iowa (GLI) new management found out that the filings since ETC status was granted were never done and found it was due to the pervious management trouble with figuring out how to report the line counts and filling out the forms.

Great Lakes of Iowa, Inc. apologizes for these delayed reports, but started gathering the data as soon as it found out about the missing reports. It took GLI time to get the historical reports for accurate lines counts back to 2002. This report is now complete since the grant of ETC status in June of 2002. Please process the reports and let me know if you have any questions.

Sincerely,
